PASTOR'S CORNER

In this special edition of SEEDS, RUMC celebrates the ministry of the youth and adults who participated in the Salkehatchie trip last week. We are thankful for their willingness to serve Christ by making home repairs. Additional photos of the trip will be posted on the church website.

Shalom,
Dr. Simpson

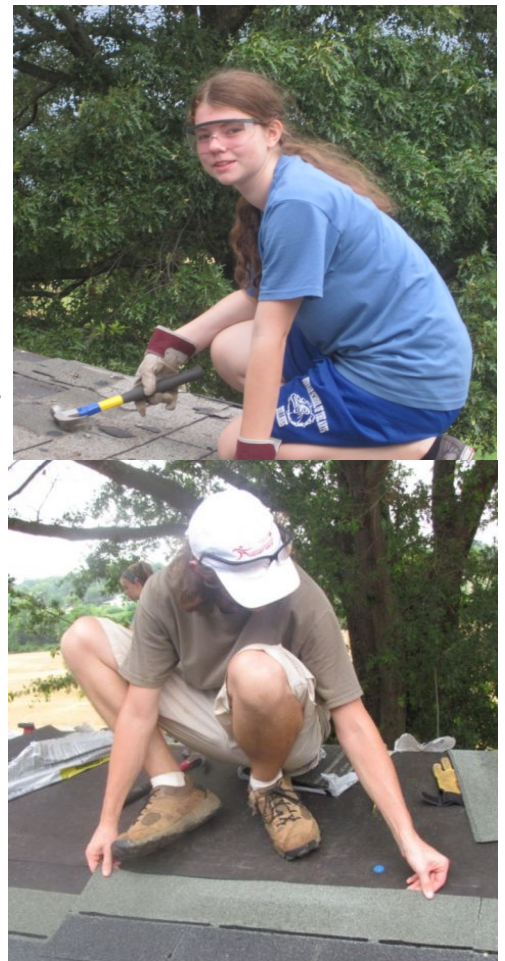

GATHER, SERVE, AND GROW

Ready to Serve

Pictured above is the RUMC Salkehatchie team ready to leave for Shelby, NC for a week of service and fellowship. The Salkehatchie teams work on “improving the living conditions of homeowners who don't have the ability or resources to do basic repairs to their homes.” Left to right are Edie Sanders, Sterling Hayden, Mary Sanders, Anastasia Hilton, Laura Ross, Nathan Sanders, Rebecca Swofford, and Robert Swofford.

The Bell House needed a new roof, fascia, soffits, painting inside and out, a new kitchen floor, siding repair, and shed roof replacement. RUMC workers at this site were Nathan Sanders, Mary Sanders, and Robert Swofford. Shown here, Mary removes shingles and Nathan replaces them.

“Open Hearts, Open Minds, Open Doors”

“Every Member in Ministry”

The Ervin Home had ceiling damage from an old roof leak, significant structural issues, and rotted siding. This house had ¾ of the siding replaced, and ¾ of the floor joists had to be replaced. Sterling Hayden and Edie Sanders represented RUMC at this worksite. In these photos, Edie Sanders is cutting new insulation for the home, and Sterling Hayden

makes repairs to the side of the house before new siding is added.

The Woods House needed a new deck, a repaired sub-floor in the kitchen, and changes to doors and a bathroom to provide handicap accessibility. Shown here, Anastasia Hilton nails a joist for a new deck, and Rebecca Swofford

works on gutting a bathroom so it can be made more accessible.

The Poston house needed a new roof, bathroom floor, and carport roof, which was collapsing. Laura Ross is shown below painting at this project.

GATHER

The GATHER ministry will NOT meet in July since the regular meeting date would have been July 4th.
